CHRISTOPHER NOLAN'S *INTERSTELLAR* TO OPEN AT OMNI IMAX THEATER ON DECEMBER 26

Fort Worth, TX - Paramount Pictures and Warner Bros. Pictures' *Interstellar*, from director Christopher Nolan, will open in IMAX® 70mm film at Fort Worth Museum of Science and History Omni IMAX Theater on December 26.

Continuing the legacy begun by IMAX trailblazer Christopher Nolan and his use of the 15 perf 65mm IMAX® cameras in *The Dark Knight* and *The Dark Knight Rises*, more than an hour of *Interstellar* was shot using IMAX cameras. Exclusively in IMAX theatres, these sequences will expand to fill the entire screen and will deliver unprecedented crispness and clarity and provide audiences with a truly cinematic and immersive experience.

The Omni will be offering The IMAX Experience® featuring 15 perf/70mm film projection which combines the brightest, clearest images at almost 10 times the resolution of standard projection formats, with powerful, laser-aligned digital sound and customized theatre geometry to create the world's most immersive movie experience. The advance engagement highlights those theaters presenting *Interstellar* in its native formats.

Sequences of *Interstellar* shot in 35mm film have been digitally re-mastered into the image and sound quality of The IMAX Experience® with proprietary IMAX DMR® (Digital Re-mastering) technology. The crystal-clear images, coupled with IMAX's customized theatre geometry and powerful digital audio, create a unique environment that will make audiences feel as if they are in the movie.

About *Interstellar*

"INTERSTELLAR" stars Matthew McConaughey, Anne Hathaway, Jessica Chastain, Bill Irwin, Ellen Burstyn, John Lithgow and Michael Caine. With our time on Earth coming to an end, a team of explorers undertakes the most important mission in human history; traveling beyond this galaxy to discover

whether mankind has a future among the stars. Directed by Christopher Nolan, written by Jonathan Nolan and Christopher Nolan, and produced by Emma Thomas, Christopher Nolan and Lynda Obst.
