

ENGINEERS WEEK 2018

INSPIRING
WONDER

FEBRUARY 20 - 24

February 20 - 21 | 10 AM to 2 PM

February 22 | 10 AM to 4 PM

February 23 | 10 AM to 2 PM

February 24 | 11 AM to 5 PM

ENGINEERS WEEK: INSPIRING WONDER

Be inspired this year during Engineers Week. Engineering opportunities abound as you engage in hands-on and mind-challenging activities throughout the Museum. Imagine, design, test and improve your ideas while you collaborate with area engineers and experience the wonder of engineering.

Engineers Week activities are included
in museum exhibit field trips.

Cost per child is \$5.00.

Book your field trip online at

<http://fortworthmuseum.org/planning-your-visit>
or call 817-255-9440.

SCHOOL FIELD TRIPS

(2nd grade and above)

School groups of 15 or
more can book field trips
in advance by calling

817-255-9440

GIRLS ENGINEERING DAY | Saturday February 24, 12 - 4pm

Looking for ways to inspire girls to the wonders of engineering?
Join us for special activities just for girls led by local women engineers.

Learn more at fortworthmuseum.org/engineers-week

Additional volunteer and education support provided by IBM, Lockheed Martin, Mouser Electronics, Oncor, Alcon, Burns and McDonnell, Cannon Elementary, Cowtown BEST Robotics, Eaton, GE Transportation, Greenwood High School, IEEE Fort Worth Women in Engineering, Nolan Catholic High School, Northrop Grumman Corporation, Society of Petroleum Engineers, Society of Women Engineers, Texas Society of Professional Engineers, Trinity Valley School, UTA College of Engineering, Young Men's Leadership Academy and Young Women's Leadership Academy.
